Paraga Paradise Villa

A MASTERPIECE OF CONTEMPORARY DESIGN

The Paraga Paradise Villa stands as a testament to architectural brilliance, where contemporary aesthetics meet the timeless allure of the sea.

Luxurious Living Areas

Inside, the villa is open and airy with a calming, low-key style. Smooth plaster finishes and cool tiled floors run throughout, punctuated by exposed timber and earthy tones that reflect the surrounding landscape. The main living room opens directly onto the terrace and features a dining area and a modern, well-equipped kitchen, all designed with comfort and relaxation in mind.

Pool

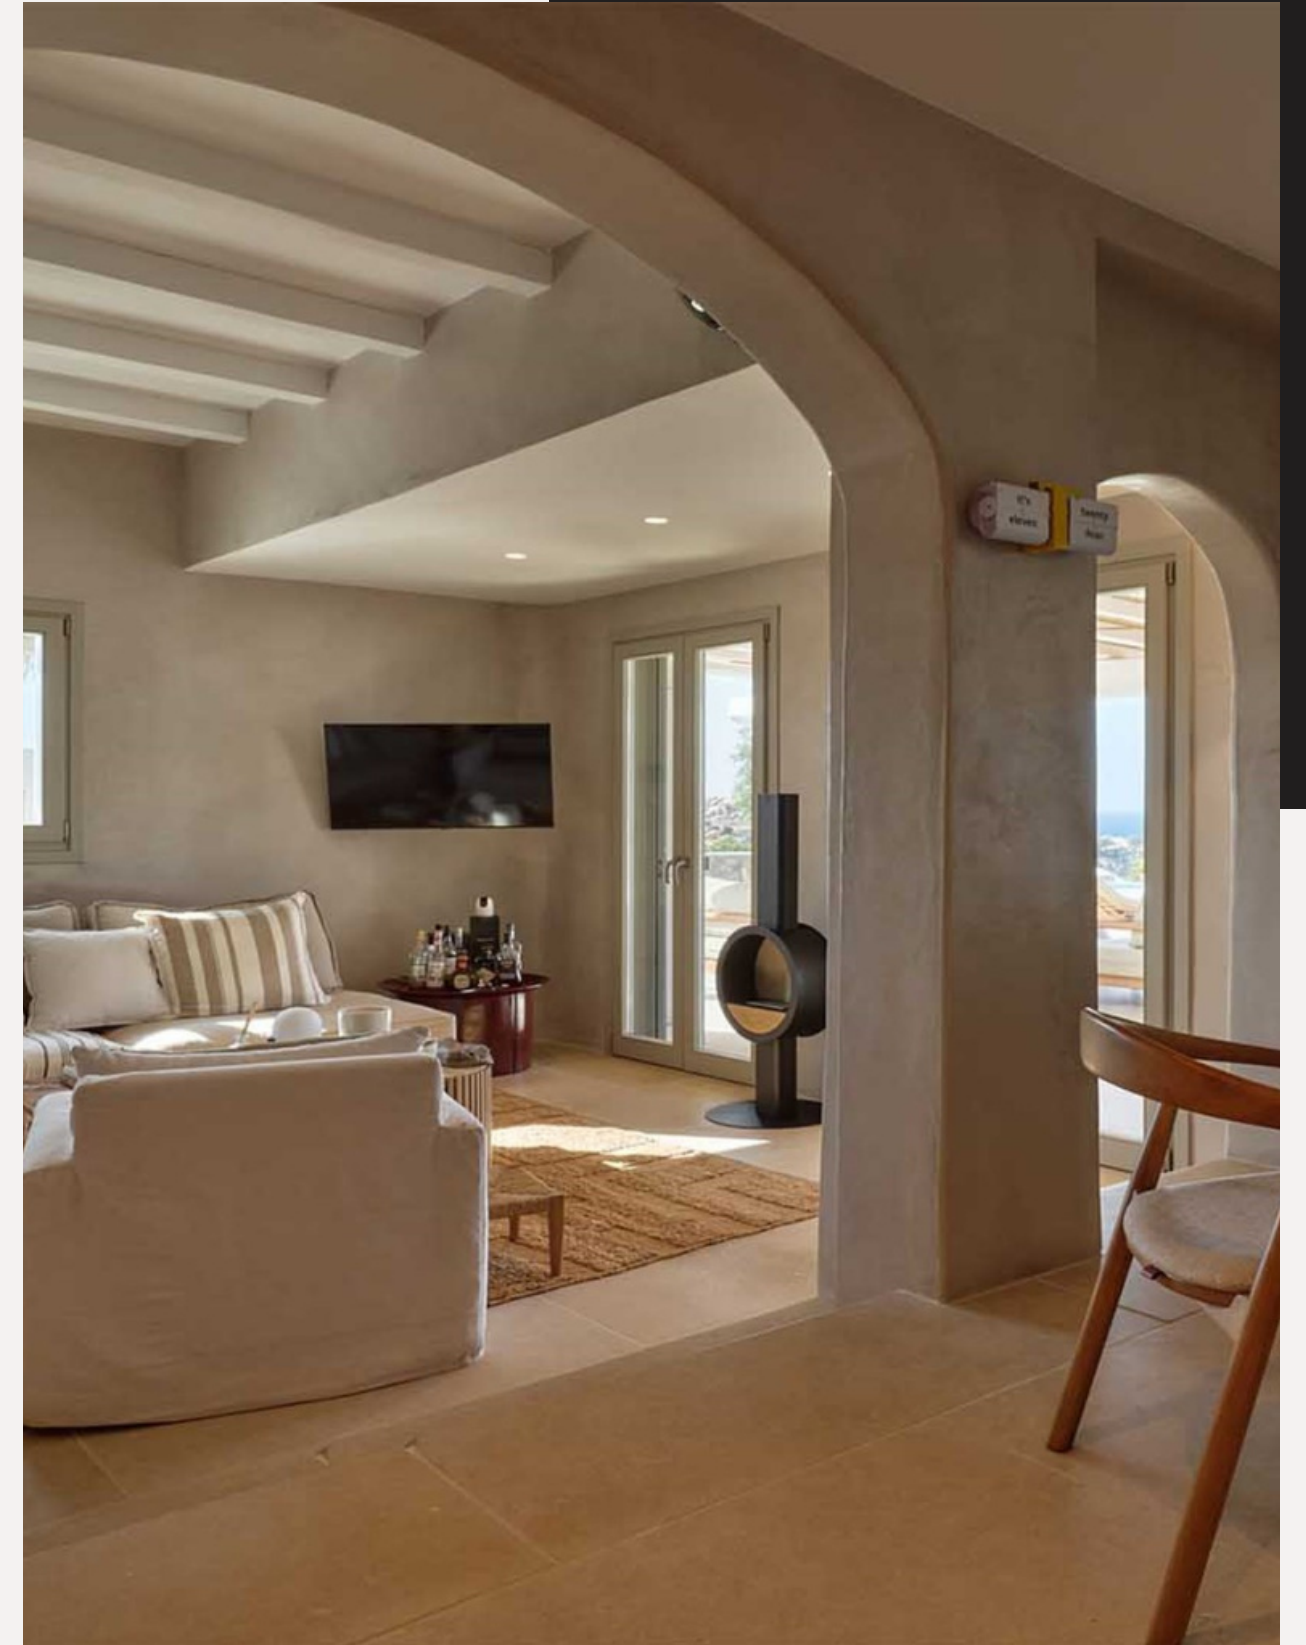

The villa offers several peaceful seating areas, perfect for outdoor living. Guests can lounge by the pool under the Aegean sun, relax with a book in the garden, or unwind on a shaded terrace sofa, enjoying the island breeze. Each space invites quiet moments and a slower Mykonian pace.

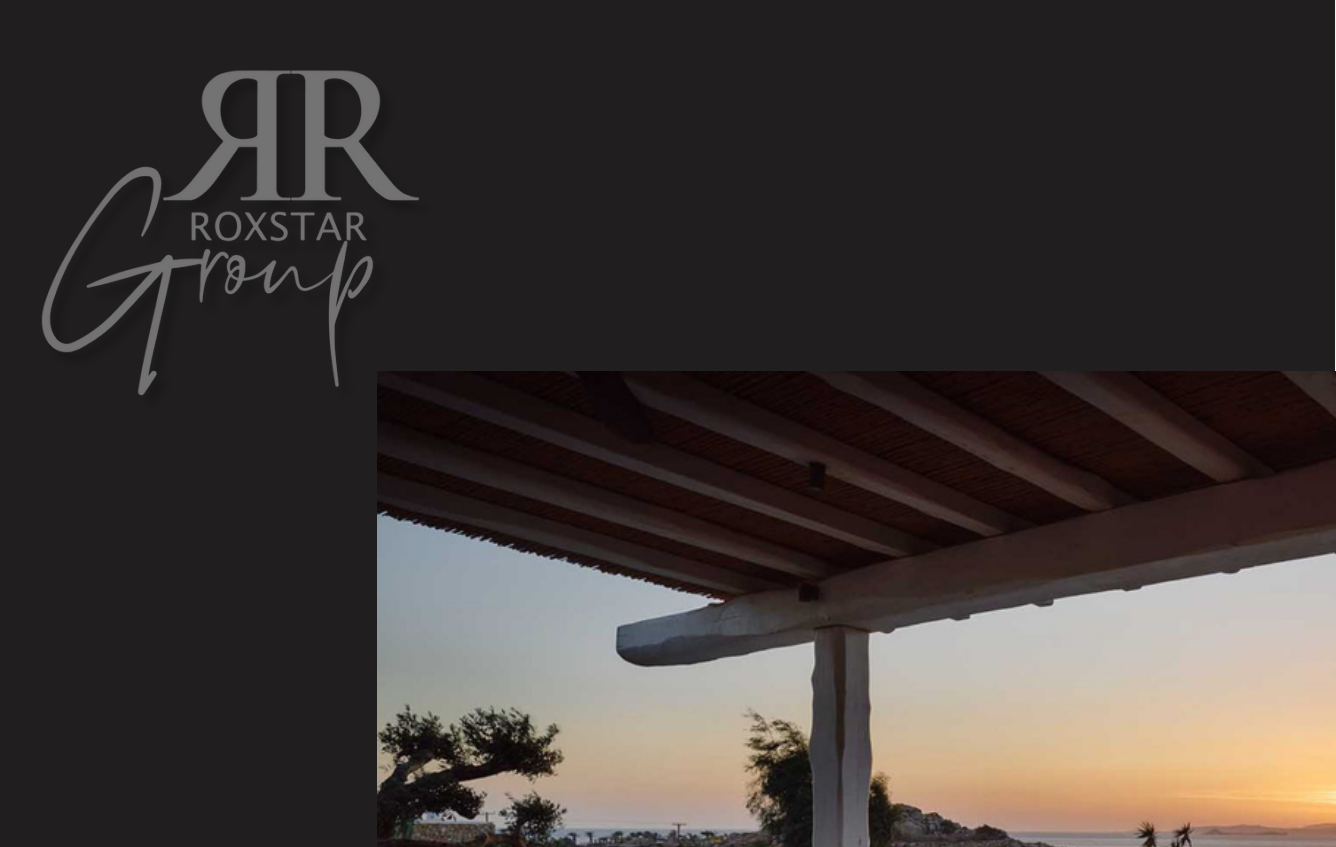

Luxurious En-Suite Bedrooms with Breathtaking Views

The villa features five en-suite bedrooms, accommodating up to 10 guests in comfort. Four bedrooms are located in the main villa – two on the ground floor with terrace access and two on the upper floor with private, sea-view balconies, perfect for quiet morning coffees or evening retreats away from the main living areas. The fifth bedroom is situated in a separate guest house, ideal for those seeking additional privacy. All rooms are thoughtfully furnished, with a soft, neutral decor.
