A SANCTUARY OF TIMELESS COASTAL LUXURY

AN EXCLUSIVE OCEANFRONT RETREAT IN MYKONOS

The Cove Villa is a minimalist design villa with sprawling terraces and an infinity pool overlooking Mykonos Port.

Carved into the hillside of Tourlos, Mykonos, The Cove Villa is a serene, idyllic retreat with views of the shimmering Aegean Sea.

Almost entirely hidden from view, The Cove was built in 2019 in a subterranean style that offers a unique level of privacy without compromising on the guest experience.

Once guests make their way down into the villa and onto the terrace, they will be greeted with incredible, expansive views of Mykonos' coastline and the blue sea beyond.

The nature of the design means that almost every room enjoys fantastic sea views, whether from bed or from a soft sofa or whilst dining on fresh Greek cuisine at the dining table.

A MASTERPIECE OF CONTEMPORARY DESIGN

The Cove Villa stands as a testament to architectural brilliance, where contemporary aesthetics meet the timeless allure of the sea.

Luxurious Living Areas

Inside, minimalist modern design meets classic Mediterranean style, with crisp white walls, natural woods, palm frond lamps, and exposed stone throughout the rooms. The main house has two living areas with plenty of space to gather together and an indoor dining space, all with wall-to-wall views of the outside.

Luxurious En-Suite Bedrooms with Breathtaking Views

One of the master bedrooms sits on the far side of the living room, away from the other rooms, offering a little more privacy with its own terrace space. A second master bedroom and two additional rooms sit together, alongside the villa's gym, and all enjoy the villa's incredible views. The bedrooms all lead directly out onto the main terrace so guests can roll from bed to sun lounge effortlessly.

Pool

Set across multi-level terraces, the villa's outdoor spaces are designed for both relaxation and indulgence. Each level offers a unique view of the landscape, furnished with elegant sun loungers and plush daybeds that invite hours of leisure under the Aegean sun. At the centre lies a stunning heated infinity pool, appearing to cascade over the hillside—blurring the line between water and sky for a truly immersive experience.

Outdoor

The expansive outdoor living area is made for basking in the sun, with multi-level terraces furnished with sun loungers and daybeds. As evening falls, guests can watch the sun dip below the horizon, then unwind with a film in the outdoor cinema or gather for a freshly grilled feast by the barbecue.
